

OUR JOURNEY

Country Plus Foods Journey Begin in 2011

with a vision to bring pure, authentic and high-quality spices to every household. The founder of the company Alhaj Muhammad Younas started his business at a very small scale in the city of Gojra, an agriculture town in the province of Punjab. The company has been grown to become a major player of spices and condiments in the market, Increasing its production from a small volume to a significant amount. Rinsing in the cater the needs of its valuable customers spread all over the Pakistan. Every year the demand of company products went on rising. It made the top management to expand the production capacity in the significant manner.

In 2017

the company has shifted its production units to Faisalabad and also joined by his son to looking after the different areas of factory matter.

The Year 2024

holds up another landmark in the history of Country Plus Foods. During this year the company added its wide range of already existing products. Till 2024 the company has wide range of Products (about 174) in plan spices, Recipe mixes, Desserts, ketchup & sauces.

In 2025

is designated as important milestone because the company carried out a massive expansion in terms of BMR & Extension in productions halls warehouse etc. It could not be out of place mention that each BMR are expansion in infrastructure resulted in full capacity & higher demand from its esteemed customers.

It would be worth mentioning that company determines its quality parameters under the standard guidelines of quality management system (ISO 9001: 2105) FSCC (2200:2018), Halal (PS 3733:2019), PSQCA & Punjab Food Authority.

**We take it great blessings of Almighty Allah & our valued customers
who interested with us.**

HERE WE ARE

Find Us On:

VISION

With a growing focus on health, the vision for condiments and spices extends beyond just flavor. Companies are developing products that highlight the natural antioxidant, anti-inflammatory and immunity-boosting properties of ingredients like turmeric, ginger, and cumin. The market is also seeing increased demand for low-sodium, low-sugar and low-fat options.

We strive to set benchmarks in quality, freshness and authenticity. Our vision is to make every meal memorable through flavors that connect people globally.

MISSION

To serve the highest quality instant premixes and whole spices by maintaining a culture of dignity and respect, delivering value through innovation and creative service." Delivering supreme quality, safety and consistency in seasoning products through innovative, ethically sourced and responsibly produced ingredients.

Setting an industry benchmark for quality operations from farm to table. We partner with local farmers to bring seasonal ingredients directly from field to table, ensuring maximum nutrition and flavor in every dish.
